Prestige Group

Golfshire Estates

Bangalore

2008 – Prestige Golfshire
PGA Golf Course Development

- 300 acre development with 225 villas, luxury spa and a 5 star hotel
- All roads constructed with SoilTech Mk. III polymer binders supplied by Polyroads
- 25% budget savings using SoilTech Mk. III
- 7.5 Kms constructed in two months
- Roads were left unsealed for three years while housing construction commenced
- CBR > 122
- Thereafter the stabilized road was sealed with a 30mm BC layer
- 2021 – still zero maintenance required on the roads
